

Q1 2026: Portfolio Recognition, Success & Engagement

We are excited to share our Q1 investments and stand out updates across our portfolio — spanning Asia, the US, and Europe — a true reflection of our global mission.

Portfolio

Sprih 

AI powered climate tech platform

Sprih and Delta Air Lines advanced sustainability with AI-driven carbon management and ESG reporting.

OneBanc 

Neobank for salaried employees

OneBanc automated corporate travel by integrating Namma Yatri's zero-commission rides into its AI platform.

It also harnessed AI in partnership with Care Health Insurance to deliver a seamless digital healthcare experience.

EximPe 

Making Cross Border Payments Efficient

EximPe secured the final **PA-CB license**, enabling it to **streamline international trade** by processing seamless UPI-based cross-border payments for businesses.

GoComet

SaaS solution for freight management

GoComet redefined **global supply chains** through digital visibility and simplified end-to-end logistics management.

It leveraged agentic AI in the Philippines to optimize logistics, enabling smarter freight decisions

TravClan

Marketplace of travel agents and suppliers

TravClan scaled globally through its European expansion, offering localized support and strengthening its presence in key markets like Portugal.

At SATTE 2026, it showcased AI tools to help agents automate and grow.

Engagement

Rajul Garg, our founder, spoke at **Takeoff Tokyo**, where he provided early-stage founders with direct access to his operator expertise and mentorship on navigating regulated markets to build globally scalable and venture-backed businesses.

At a panel on **"Picking Winners in the Age of AI"** in Dubai, our Operating Partner, **Gagan**, joined **Abhinav and Asad** – founders of Leo portfolio companies Tern and TestMu. The conversation highlighted that true AI advantage lies in rethinking workflows, embedding AI as a mindset, and executing with strong customer proximity and ownership.

Our Co-Founder, **Shwetant Verma**, spoke on **"Fundraising in the GCC – A Global Investors' Perspective,"** at the INSEAD Entrepreneurship Forum 2026, sharing insights on capital, credibility, and cross-border growth, alongside engaging discussions that reflected the evolving nature of global capital.

Portfolio

TestMu AI

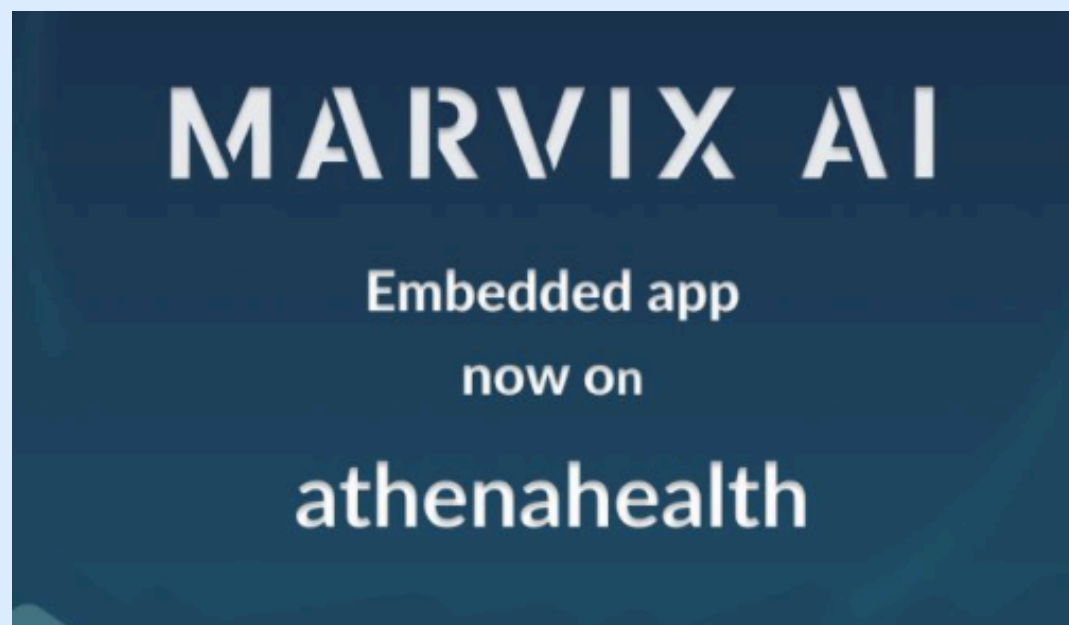

Cross browser testing cloud

TestMu AI launched **advanced conversation and memory layers** to streamline AI test case generation through context-aware interactions and long-term data retention.

FinanceOps

ChatGPT for digital collections

FinanceOps showcased its innovative financial solutions at the **Asian Financial Forum (AFF)**, and engaged with **global leaders** to drive the future of fintech across Asian markets.

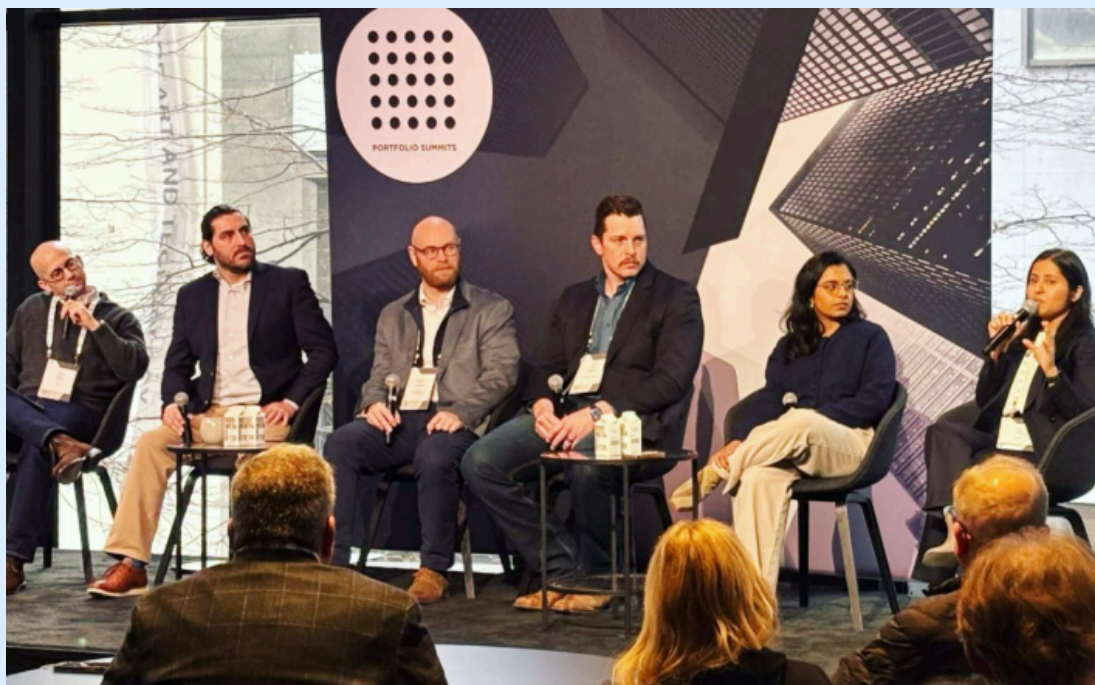

Marvix AI

Ambient AI assistant for speciality care

The **Marvix Embedded App** was made live on **Athena**, enabling healthcare providers to streamline workflows and access critical clinical data directly within their existing ecosystem.

Portfolio

Zeplyn 

AI assistant for Financial Advisors

Zeplyn showcased its **AI-driven advisor solutions** at the **RIA Technology & Practice Management Summit**, highlighting how automation can streamline wealth management workflows.

Zeeve 

Blockchain deployment platform

Zeeve **CEO Ravi Chamria** explained how asset tokenization is transforming global finance by shifting traditional settlement processes towards a real-time, highly efficient digital ecosystem.

Investments

Bond Health

Proprietary AI to streamline the entire clinical trial patient recruitment journey into a single, unified workflow

AI-native flood insurance platform (In Stealth)

Engagement

Leo Capital hosted a curated **Insurtech session** in New York, bringing together global founders and insurance leaders for a candid, insight-driven discussion grounded in real-world experience.

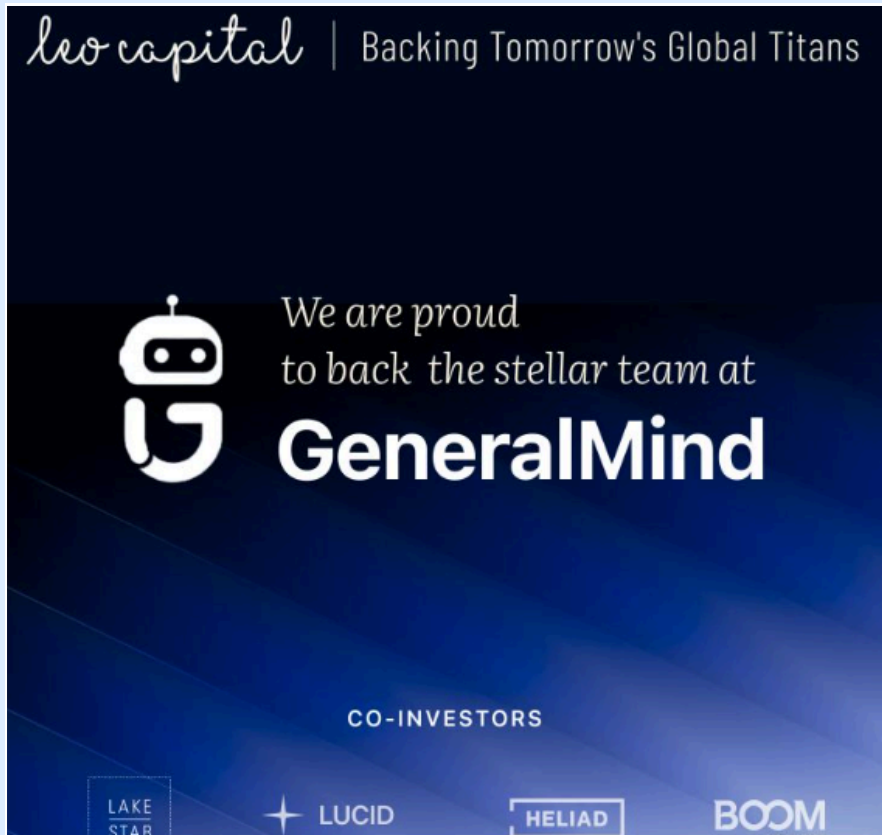

Our GP, **Rajul Garg**, participated in JPM Healthcare Week to engage with global innovators and explore the future of technology-driven healthcare.

Leo Capital hosted **Leo Mixer** that brought together founders from across the globe for meaningful connections and a powerful exchange of ideas on building resilient, AI-driven businesses.

Portfolio

GeneralMind

AI company building a System of Action for modern enterprises

GeneralMind **emerged from stealth** to introduce its **AI-powered platform** designed to automate and optimize enterprise decision-making through advanced cognitive modeling.

SylloTips

Human in the loop AI Enterprise Platform

SylloTips was **honored with the prestigious La Carica delle 101 recognition**, highlighting its innovative contributions and promising growth within the startup ecosystem.

Tern

AI powered global talent mobility platform

Tern showcased its **innovative fintech solutions at WHX Dubai**, highlighting its commitment to driving digital transformation within the Middle Eastern financial ecosystem.

Blueprint Crusher 
AI Tender Assistant for construction

Blueprint Crusher showcased its **innovative building inspection technology** at the **London PropTech Show**, demonstrating how AI-driven data is transforming real estate maintenance and asset management.

QuantrolOX 
Automation for Qubit tuning for Quantum devices

QuantrolOx advanced **India's quantum hardware ecosystem** through a strategic partnership with **MAHE** to establish a **Q-Hub**, while **CEO Vishal Chatrath** shared insights on the future of quantum control in a featured podcast.

Investments

Dottr

AI Legal Teammate for Business Teams

Engagement

Leo Capital hosted a **strategic roundtable** providing founders with actionable market entry insights and regulatory guidance for successfully scaling businesses into the UK ecosystem.

Our VP, **Olga Balakina**, participated in **TechArena 2026** to connect with industry leaders and showcase cutting-edge innovations driving the future of the global technology landscape.

Leo Capital hosted the **Nordic AI Night** to bring together industry pioneers and investors, fostering cross-border collaboration and exploring the latest breakthroughs in the Nordic artificial intelligence ecosystem.
