

Q2 2026: Portfolio Recognition, Success & Engagement

We are excited to share our Q2 investments and stand out updates across our portfolio — spanning Asia, the US, and Europe — a true reflection of our global mission.

Investments

AI-powered social network (In Stealth)

Portfolio

Marketplace of travel agents and suppliers

TravClan partnered with **StarDream Cruises** as preferred sales agent to expand Indian cruise tourism.

PC on the cloud

Workspot joined Akamai's Qualified Compute Partner Program to power next-generation global cloud PCs.

Biotech research

Biotech startup **StrainX Bioworks** exited stealth mode, raising **thirteen million dollars** to expand precision fermentation.

Engagement

Our co-founder, **Shwetank Verma**, attended the prominent **Korea-India market delegation event**, focusing on building **cross-border relationships**, exploring collaborative business opportunities, and strengthening economic ties and technological exchange programs between the two vibrant national ecosystems.

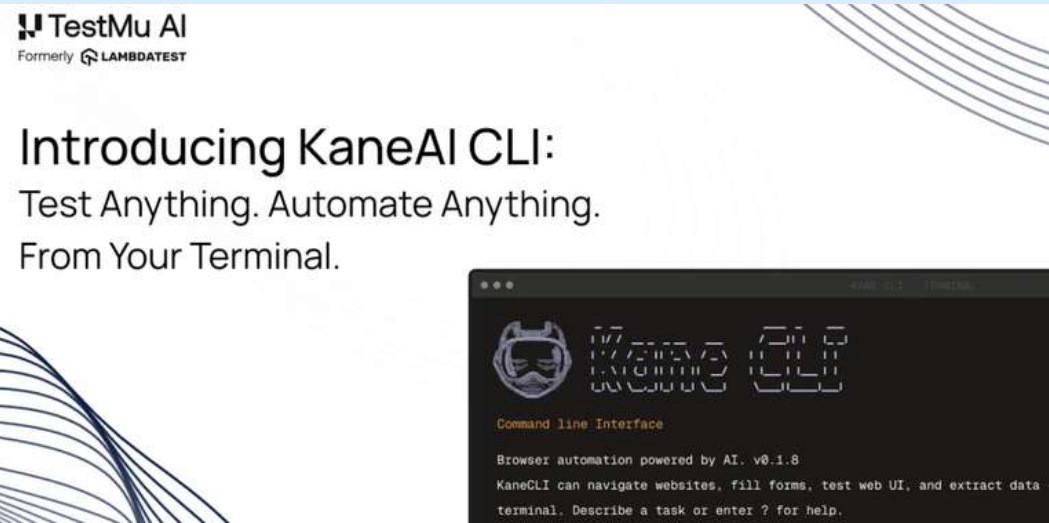

Shwetank also attended **German Indian Innovation Corridor (GIIC) Delhi summit**, an impactful event dedicated to fostering industrial cooperation, technological co-creation, and **strategic innovation partnerships between German and Indian business ecosystems**.

Building on the momentum of our San Francisco ecosystem meetup in Q1, **Leo Capital hosted its Q2 gathering in Bengaluru**. The event brought together portfolio founders, operators, and ecosystem friends for engaging conversations, stronger connections, and opportunities to collaborate.

Portfolio

Portfolio

Apica 
Active observability with operational data fabric

Apica launches new initiatives redefining synthetic monitoring capabilities specifically tailored for the emerging agentic artificial intelligence era.

Syllotips 
Human in the loop AI Enterprise Platform

AI Observatory recognized Syllotips as one of the market's most promising and innovative new startups.

Blueprint Crusher 
AI Tender Assistant for construction

Startup Finland ranked Blueprint Crusher at number 18 on their highly competitive annual Startup100 list.

Portfolio

Kayna 
Data-driven insurance for vertical SaaS

Kayna secured a prestigious spot in Guidewire’s InsurTech Vanguard programme to accelerate its innovative insurance solutions.

QuantrolOX 
Automation for Qubit tuning for Quantum devices

QuantrolOx partnered with RAQS Quantum to introduce its Quantum EDGE platform and training academy across the Asia Pacific region.

Tern 
AI powered global talent mobility platform

TERN Group won two major AI and HR Tech awards at the Economic Times event.

Khaleej Times featured CEO Avinav Nigam as Global Indians of the UAE: The Next Tech Generation.

Engagement

Our Co-Founder, Shwetank Verma, was a speaker at the prominent **London VC Summit 2026**, where he joined leading **global venture capitalists and networks** to talk about “Managing the LP-GP Relationship”.

Our VP, Olga Balakina, hosted an **exclusive masterclass** focused on strategies for raising global capital at the **Bharat Innovates in Nice, France**, providing founders with pragmatic insights, tactical advice, and key **fundraising methodologies to scale their operations internationally**.

Rohit Yadav, host of Germany-based **TheOnePoint Podcast**, sat down with our **Founder, Rajul Garg**, for an insightful conversation on the evolving landscape of India's startup ecosystem, emerging macroeconomic investment trends, and practical fundraising advice for early-stage founders.

Engagement

Our Partner, **Henry Goodwin** joined the panel for **Briefing AI Leaders** in London discussing how rising costs of building modern, tech-enabled law firms are bringing private equity into consideration for larger firms, beyond its traditional midmarket focus.

Madhusmita Das, our Partner, joined as **Chairperson** at the prestigious **Indo-German Young Leaders Forum** in Berlin, focusing on **international relations**, collaborative tech innovation, and cross-border initiatives designed to strengthen global bonds between the two nations.

Helsinki Partners highlighted **Leo Capital**, with our **VP, Olga** sharing how the firm is expanding its presence, driving Nordic investment initiatives, and **strengthening connections between the Asian and European technology ecosystems**.
